

Nostradamus: The Millennium & Beyond : the Prophecies to 2016, 1993, Peter Lorie, Liz Greene, 0747515638, 9780747515630, Bloomsbury, 1993

This third in a series of books on Nostradamus's prophecies takes up the story of his predictions for the period that spans the end of the millennium into the 21st century. Using a new method of interpreting the complex verses of the 16th-century prophet, Peter Lorie discovers for the reader that many of the key words that have puzzled commentators for centuries may have their meanings in the contemporary characters and events of early-Renaissance Europe.
